

## FREE BUS RIDES

For those enrolled in

Colorado College,  
Pikes Peak Community College, or  
University of Colorado Colorado Springs

When an individual enrolls in one of these colleges, they may use their enrollment identification card on all city buses without paying.

Anyone can get free bus rides in Manitou Springs.

Routes 33 and 36 are regular buses and are called shuttles. When you arrive in Manitou Springs on Route 3, walk across the street to catch Route 33. To catch Route 36, walk west toward the mountains to Manitou Avenue and turn right and continue walking until you see a train engine on your right.

### The Summer Pass
